OPINION & ORDER

Hon. HAROLD BAER, JR., District Judge:

WHEREAS, on January 9, I denied Pro Se Petitioner Shane Albert Richards' motion for reconsideration of my opinion and order denying Petitioner's habeas petition, therefore it is hereby

ORDERED, that as the motion for reconsideration makes no substantial showing of a denial of a constitutional right, a certificate of appealability will not issue. 28 U.S.C. § 2253.

SO ORDERED.
